YOUR FIRST  
GOOGLE MEET  
SOLUTION

Be the first to Meet with Poly Studio X!

## HOW IT WORKS:

**STEP 1:** Contact your Poly reseller and let them know which room solution you are interested in from the list below.

**STEP 2:** Purchase your first Poly room solution certified for Google Meet from a Poly reseller and receive your one-time discount.

**STEP 3:** Enjoy the benefits of a simple, seamless, native experience.

Google Workspace organizations can now leverage the feature rich, yet radically simple, family of all-in-one video bars for a native experience on Google Meet.

Paired with the Poly TC8, the Poly Studio X family delivers smart, broadcast quality audio and video to meeting rooms of all sizes – no PC or Mac required.

For a limited time, eligible Google Workspace customers receive a one-time discount on the Studio X model of their choice paired with a TC8 room controller – up to 45% off!
